

School Site Design and Implementation General Agreement

This agreement is made this 29th day of May, 2013 by and between Seoule Christian School (SC-KOR) and Wilcomp Software L.P. ("Wilcomp"). Terms of this agreement will expire if not accepted within 30 days of the date shown above.

SC-KOR agrees to:

- I. **Purchase a School Site license for \$295.**
- II. **Pay a \$100 School Site monthly hosting and support fee based on student enrollment of 139.**
Schools with 250 students or less pay \$100 per month hosting fee. Schools with more than 250 students pay \$0.40 per student per month, with a cap of \$250 per month. Hosting fees will be reviewed each January to determine if the fee should be increased or decreased based on changes in enrollment. The fee will also be adjusted each January to reflect the annual rate of inflation as measured by the Consumer Price Index. For example, if the CPI is 4.0%, a school paying monthly fees of \$100 would see an increase to \$104.
- III. **Purchase the agreed upon website design from Cherry+Company, which is covered in a separate document.**
- IV. **Pay \$55 for configuration of Google Custom Search on the school's new website (optional).**
- V. **Pay a website implementation fee of \$740.**
- VI. **Purchase a School Site Mobile setup for \$295.**
- VII. **Purchase Cherry+Company design services for School Site Mobile for \$300.**
- VIII. **Pay a \$25 School Site Mobile monthly hosting and support fee based on student enrollment of 139.** Schools with 250 students or less pay \$25 per month hosting fee. Schools with more than 250 students pay twenty-five percent (25%) of the above stated School Site Monthly Hosting and Support fees per month, with a cap of \$60 per month. Hosting fees will be reviewed each January to determine if the fee should be increased or decreased based on changes in enrollment. The fee will also be adjusted each January to reflect the annual rate of inflation as measured by the Consumer Price Index.
- IX. **Sign up for Online Application and receive a FREE Online Application Provider Account (OAPA) setup.** By signing up, the school commits to move forward and complete the OAPA setup process.
- X. **Sign up for Online Enrollment and receive a FREE Online Enrollment Provider Account (OEPA) setup.** By signing up, the school commits to move forward and complete the OEPA setup process.

Note: The FREE OAPA and OEPA setups provide a total savings of \$395.
